

Project Siren

Unique opportunity to purchase a highly reputable private ambulance and SEN transport business based in the Midlands

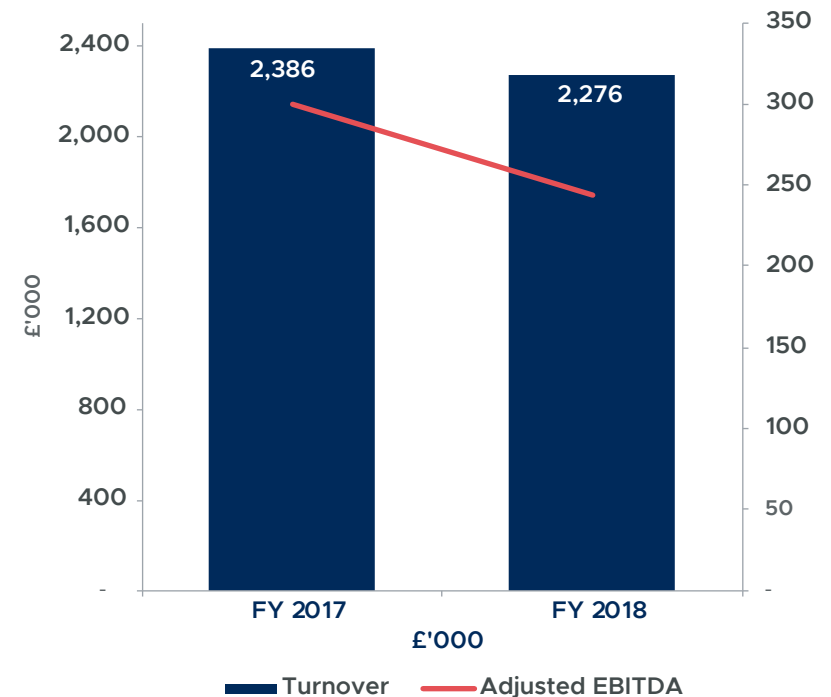

Overview

- Long established financially secure business, providing transport to health and social care services across both public and private sectors
- One of the largest established private ambulance services in the UK
- All aspects of services meet CQC standards - with an “excellent” inspection outcome for their commitment to respect, dignity and provision of safe care
- Excellent, long standing customer relationships
- The business offers a huge opportunity for significant, stable growth with continued investment
- Profitable business over many years
- Operating in a market with high barriers to entry
- Genuine retirement sale

Historic Financials

Summary of historic turnover and adjusted EBITDA
